

**Date:** October 24, 2019

**Subject:** Landfill Meeting November 21 6:00 P.M. Annapolis

Two Rivers Residents,

Attached please find a copy of the official invitation letter dated October 8, 2019 from National Waste Managers, Inc./Chesapeake Terrace outlining the scope of a pending application before the Maryland Department of Environment for a permit to operate a rubble landfill on property located adjacent to the intersection of Patuxent Road and Conway Road.

The letter notes that a Public Information Meeting, concerning this pending application, will be held on November 21, 2019 at the Double Tree Hotel in Annapolis (details in letter attached) beginning at 6:00 p.m.

Please consider attending. As a Two Rivers resident your attendance at this meeting would be greatly appreciated as the Two Rivers residents need to understand the impact that this landfill may have on our community.

Our voice, as a community, needs to be heard in this public meeting as we feel this may impact our quality of life within our Two Rivers community.

Thank you for your interest in this important landfill issue.

October 8, 2019

Dear

National Waste Managers, Inc./Chesapeake Terrace currently has pending before the Maryland Department of Environment an application for a permit to operate a rubble landfill on property located in the Odenton area of Anne Arundel County adjacent to the intersection of Patuxent Road and Conway Road. I am writing on behalf of the applicant to invite you to a Public Informational Meeting.

The Maryland Department of Environment (MDE) has been processing this application through its five phase permitting process. As part of that process, MDE staff has requested that the applicant schedule a Public Informational Meeting as it concludes its review of the Phase II Application summarizing the geologic and hydrogeological investigation and evaluation of this site, and continues with its Phase III studies on the engineering design and operational procedures for the Chesapeake Terrace facility.

You are being contacted as either a public official of Anne Arundel County or as a neighboring landowner to advise of the time and place of the Public Informational Meeting. This meeting will begin at 6:00 p.m. on November 21, 2019 at:

The DoubleTree by Hilton Annapolis  
210 Holiday Court  
Annapolis, Maryland 21401  
Meeting Room Location: Mailsail and East Rooms

The first part of the meeting will involve informational booths with pictorial presentations related to the design, operation, and closure of the facility. During this portion of the meeting, engineers will be available to answer general questions about landfill design and concepts. At 7:15 p.m., the engineering design team will explain the development of the facility, followed by a questions and answer session.

This is a public meeting and all who are interested in the facility are invited.
